

LICENSE RENEWAL NOTICE - FLEET OWNER INSPECTION AND MAINTENANCE STATION LICENSE

CHP 361L (REV. 02-00) OPI 062

In Approximately 60 days Your Fleet Owner Inspection and Maintenance Station License Will Expire.

To continue your authorization to operate a Fleet Owner Inspection And Maintenance Station (IMS), you must renew your license in accordance with the following instructions. You will not receive any additional reminders to renew your license and there is ***no grace period***. IMS licenses are valid only at the stations indicated on the license and the licensed activity must cease immediately upon expiration of the license. **IT IS UNLAWFUL TO OPERATE AN INSPECTION AND MAINTENANCE STATION WITHOUT A VALID LICENSE.**

APPLICATION PROCEDURES

Enclosed you will find an APPLICATION FOR FLEET OWNER INSPECTION AND MAINTENANCE STATION LICENSE (CHP 361N). Print legibly or use a typewriter to complete the application. Make a copy for your file.

The completed signed application and \$5.00 renewal fee must be **received by the California Highway Patrol (CHP)** prior to expiration of the current license to avoid an additional \$5.00 late fee. To ensure adequate time for processing of your application, **your renewal application and fee must be submitted at least four weeks prior to the expiration of the current license.**

A license will not be issued prior to the receipt of a properly completed application and appropriate renewal fee. The completed application and renewal fee should be mailed to:

California Highway Patrol
Accounting Section (IMS Licensing Program)
P. O. Box 942902
Sacramento, CA 94298-2902

DO NOT SEND CASH OR COMBINE WITH ANY OTHER APPLICATION OR FEE

APPLICATION LINE BY LINE INSTRUCTIONS

Confirm the information on the preprinted application, line out all incorrect information and fill in current information. **Complete all entries.**

REASON FOR APPLICATION: Check the appropriate box(es) corresponding to the reason(s) for submitting the application.

APPLICANT NAME: Company name. This name must be the same as the name listed for your California Carrier Identification Number (CA Number).

FEDERAL EMPLOYER I.D. NUMBER (EIN): Enter your federal EIN assigned by the IRS. This unique number ensures your records are not duplicated. Individuals with no employees may not have this number, in that case no entry is required. Do not use a Social Security number.

OWNERSHIP INFORMATION: Check the appropriate box corresponding to the ownership type of the applicant. If the applicant is an individual with no federal EIN, a valid driver's license number and the state of issue are required. All requested information is necessary to prevent duplication of records.

NAME CHANGE: If your company previously held a CHP IMS license under a different name, enter that name.

TELEPHONE NUMBER: Enter the phone number for the applicant.

ADDITIONAL NAME THE COMPANY IS DOING BUSINESS AS: List additional registered, legal names the applicant is doing business as other than the APPLICANT'S NAME.

MAIL LICENSE ATTENTION: If the license is to be mailed to a specific company individual enter that person's name, otherwise leave blank.

INSPECTION AND MAINTENANCE STATION ADDRESS, CITY, STATE, and ZIP CODE: Enter the complete terminal address for the shop where the vehicles are inspected and maintained.

MAILING ADDRESS, CITY, STATE, and ZIP CODE: Enter the complete mailing address where the license is to be sent.

CALIFORNIA CARRIER IDENTIFICATION NUMBER: Enter your CA number.

TERMINAL FILE CODE NUMBER: Enter the file code number assigned to the licensed location.

CHP FLEET OWNER INSPECTION AND MAINTENANCE STATION LICENSE NUMBER and EXPIRATION DATE: Enter current CHP IMS license number and expiration date.

CALIFORNIA CORPORATION NUMBER: Enter the corporation's identification number if incorporated.

TOTAL VEHICLES OPERATED: Enter the number of powered and towed vehicles operated and maintained from this location.

APPLICANT BACKGROUND: If your response is yes to any of the questions, ***provide an explanation on the back*** side of the application. Attach an additional sheet if necessary.

CERTIFICATION AND APPLICANT'S SIGNATURE: All applicants shall enter the date of the last terminal inspection performed at this location and the subsequent Safety Compliance Rating assigned by the CHP Motor Carrier Specialist. All motor carriers who transport property, other than those excepted in Section 34601 VC, shall include a valid Motor Carrier Permit expiration date.

AUTHORIZED CERTIFIER'S SIGNATURE: Authorized corporate officer or authorized representative of the company must certify the application and print or type their name and title.

MOTOR CARRIER SAFETY UNIT APPROVAL

Approval from the Motor Carrier Safety Unit is required when an application is received by the CHP 30 days after the license expired, the station has relocated, or a change in ownership has occurred.

QUESTIONS/ADDITIONAL FORMS

If you have questions about the application process or required fee, or if you need additional forms, contact the CHP Commercial Vehicle Section at (916) 327-5039 or submit FAX request to (916) 446-4870. **If your company name or address has changed** you will also need to submit with your application (CHP 361N) a completed CHP 362, Motor Carrier Profile. Failure to update changes in carrier profile information could delay processing of your License.

(CONTINUED ON REVERSE)

LATE OR INCOMPLETE APPLICATION

Your completed renewal application and the correct fee ***must be received prior to the license expiration date***. Pursuant to Vehicle Code (VC) Section 2501, applications for license renewal received after the license expiration date, or incomplete applications not corrected prior to the license expiration date, must be accompanied by \$10.00. If the license is not renewed within 30 days after the expiration date, the license cannot be renewed, and the applicant must comply with the requirements for obtaining an initial license.

CHANGE OF OWNERSHIP OR CONTROL

Licenses are non-transferable. A majority change in ownership or control of a licensed activity requires a ***new license***. A change in ownership or control includes, but is not limited to, a change in corporate status, or a stock transfer of shares possessing more than 50 percent of the voting power of the corporation. A change in ownership or control does not include the addition or deletion of partners, officers, directors, or board members comprising 50 percent or less ownership or control of the licensed activity if both of the following are complied with:

- (1) The new partners, officers, directors, or board members have not committed any acts that would disqualify them from obtaining a license as described in Vehicle Code Section 2541.
- (2) An amended license application form indicating the changes is submitted within 10 days of the change. Applications for a new (initial) license must also be accompanied by a completed CHP 362, Motor Carrier Profile form.

STATUTORY AUTHORITY FOR LICENSE

An IMS license is authorized by the laws and regulations of the State of California (Section 2525 VC). Fleet owners licensed as Inspection and Maintenance Stations shall do all of the following:

- (1) Conduct all installations, adjustments, inspections, and maintenance pursuant to Division 12 VC (commencing with Section 24000 VC) and Title 13, Division 2, California Code of Regulations.
- (2) If engaged in interstate transportation, also conduct inspections and maintenance in accordance with the Federal Motor Carrier Safety Regulations (FMCSR) contained in Title 49, Chapter 3, Parts 390 through 397, of the Code of Federal Regulations.
- (3) If operating or maintaining vehicles described in subdivisions (a), (b), (d), (e), (f), or (g), of Section 34500 VC, **enroll each licensed inspection and maintenance station in the Department's Biennial Inspection of Terminals Program** pursuant to subdivision (d) of Section 34501.12 VC and pay the fee required by subdivision (e) of that section.

Fleet owners **may not certify** the adjustment of lamps or brakes or the installation, inspection, repair, or servicing of motor vehicle pollution control devices or systems, except for vehicles in the owner's fleet.

QUALIFICATIONS FOR LICENSE

Each fleet owner inspection and maintenance station shall be equipped to inspect, service, and repair vehicles and related components and equipment as required by laws and regulations related to the safe operation of such vehicles.

Code Publications. Each station shall maintain readily accessible to the superintendent of maintenance at least one current copy of the California Vehicle Code; Chapter 2, Title 13, California Code of Regulations; and if the fleet is engaged in interstate transportation, Title 49, Chapter 3, Parts 390 through 397, of the Code of Federal Regulations.

Handbooks and Bulletins. Each station shall maintain in current status and available to the superintendent of maintenance all appropriate publications issued by the CHP and by manufacturers, including handbooks, bulletins, manuals, and instructions related to safe condition of vehicles, vehicle components, and auxiliary equipment.

Personnel. At least one full-time journeyman truck mechanic, as defined in Section 615.1(f) 13 CCR, **shall be regularly employed** in each station.

Inspection and Maintenance Program. Systematic inspection and maintenance of vehicles, and records of such inspection and maintenance, shall be in compliance with the provisions of applicable parts of Sections 1232 and 1234 of 13 CCR and, if vehicles are engaged in interstate transportation, the applicable FMCSR.
